

Check List for Planetarium Visits

- Is our hall big enough? We need a space 6.5m x 6.5m x 3m high.
- Is there access to a power point?
- Will the hall be needed over lunch time? Allow 15 minutes to pack up before lunch and 15 minutes to re-inflate after lunch.
- Will the hall be needed at the end of the day? It takes about 30 minutes to pack the dome away completely.
- Do I need an invoice before the day? We like to collect a cheque on the day. If you need the invoice in advance please let us know and we will send it to you.
- Have I chosen my shows? Your booking letter will have a choice form. Please fill it in and send it back to us as soon as possible.
- Have I got my groups organised? We can accommodate up to 36 Key Stage 2 children, and up to 45 Key Stage 1 children in a show.
- Have I checked on parking facilities? As there are several large items to unload, it is useful for us to know if we cannot park on the school grounds.
- Are there any children who have special needs? The dome is wheel chair accessible, but it is useful for us to know in advance if any children need chairs, or are likely to find the atmosphere of the dome unsettling.
